

Wiley Beginning Band Volunteer Rehearsal Duties

All Beginning Band rehearsals take place in the Music Room (next to the cafeteria).

SETUP (7:30am):

1. Please set up 3 rows of chairs, with their backs facing the door of the classroom.

1st row: 8 chairs

2nd row: 8 chairs

3rd row: 8 chairs

2. At the beginning of the year, the storage spot for our band clipboard is always a bit unpredictable. Until we find an easy-to-locate spot for it, Ms. Thompson will make sure to get it for you.

3. In the clipboard, you'll find an attendance sheet and a pencil. Please place these on the shelf nearest to the door. The students will sign themselves in when they arrive.

GREET STUDENTS (7:40-8:00am) - Please put on the name tag from the clipboard, go to the carpool loop, and greet students as they're dropped off. Some of our students with larger instruments may need a little help out of their cars.

ASSIST WITH REHEARSAL (8:00-8:45am) - During rehearsal, please help us maintain a quiet and orderly learning environment for our band. Feel free to find a nice spot to sit, and keep your eyes out for potential disruptions or student needs.

RESTORING THE SPACE (8:45am) - As students leave, please assist Christina with returning the room to its original formation.

You should be finished by about 8:55am!

Thank you for your help!
