

Wiley Continuing Band Volunteer Rehearsal Duties

All Continuing Band rehearsals take place in the Media Center.

SETUP (7:30am):

1. Using the folding chairs along the wall of the media center, please set up four rows as follows:

1st row: in front of stage - 9 chairs

2nd row: in front of stage - 9 chairs

3rd row: on stage - 9 chairs

4th row: on stage - 8 chairs

Please be sure to leave a few feet of space along the back of the stage for percussion.

2. At the beginning of the year, the storage spot for our band clipboard is always a bit unpredictable. Until we find an easy-to-locate spot for it, Ms. Thompson will make sure to get it for you.

3. Open the clipboard and take out the attendance sheet and pencil on the table nearest to the stage door. The students will sign themselves in when they arrive.

GREET STUDENTS (7:40-8:00am) - Please put on the name tag from the clipboard, go to the carpool loop, and greet students as they're dropped off. Some of our students with larger instruments may need a little help out of their cars.

ASSIST WITH REHEARSAL (8:00-8:45am) - This year's band is very large, and they will need substantial help learning to stay completely quiet during rehearsal. Please circulate through the band periodically during rehearsal, making sure everyone is on task.

RESTORING THE SPACE (8:45am) - As students leave, please assist Christina with returning the room to its original formation.

You should be finished by about 8:55am!

Thank you for your help!
