

Wiley Band Student Drop-Off Information

Dropoff Time:

All students should be dropped off for band between 7:35-7:50am.

What to Expect in the Carpool Loop

A parent volunteer will greet students starting at 7:35am at the carpool loop and send them to the band classroom.

If the parent volunteer is not at the carpool loop, you **MUST** accompany your child to the Band Room.

How to Get to the Band Room

Beginning Band will rehearse in the music room, which has its own exterior door directly to the right of the main entrance to the school. Everyone will enter through this door. Continuing Band students will walk through the music room to their rehearsal space in the gym.

What to Do if You're Early

Students are not allowed to be in the school unattended. So, if you arrive before a volunteer has come to the carpool loop, you must wait with your child until a volunteer arrives.

What to Do if You're Late

If you arrive after the Parent Volunteer has left the carpool loop, you must walk your child to the Band Room.

Late Beginners should enter quietly and set up in one of the chairs near the door. Late students should not try to sit in their regular seats, because their arrival will disrupt the lesson already in progress.

Continuing Band students who are late have two options: either go through the main entrance to access the gym, or participate in Beginning Band that day. Continuing Band students are not permitted to walk through Beginning Band's room once rehearsal has begun.
