Video 5 Skill Sheet - Percussion Songs and Patterns

It's very important for percussionists to know exactly where their notes are on the glockenspiel. Here are some exercises to help you develop a great understanding of your notes. Don't worry if you have trouble at first. Just play these patterns every day, and you'll get better and better!

Play and sing these exercises along with Ms. T in the video. Once you've done each song, place a check next to it. Can you have 20 checks next to each exercise by the first day of band?
